Protection of Your Personal Financial Information

Who We Are: LPG Capital Management, Inc. is a State registered investment adviser. Through our representatives we provide financial services to the general public. We are providing you with this privacy policy to describe how we collect information about you, under what circumstances we may disclose the information to others, and how we safeguard your information in our possession.

Why We Collect Information: We collect and use information about you in order to provide you with our financial services. For example, we use your information to determine the suitability of our investment recommendations and to process transactions for your account.

What Information We Collect: The information we collect may include information such as your name, address, social security number, assets, income, net worth, investment experience, risk tolerance, investment objectives, beneficiary designations and other information from your application.

How We Collect Information: We obtain most information directly from you when you open an account or purchase financial services from us. For example, we may collect your personal information directly from you when you seek financial advice or advice about your investments, direct us to buy or sell securities, provide employment information, or show us your government-issued ID. We may also obtain information about you from our representatives and their affiliated businesses, and from third parties such as retirement plan sponsors or third-party administrators, mutual fund companies, insurance companies, your former broker-dealer or its registered representative, clearing firms, or others who provide you with financial products or services.

Information We Disclose: We may disclose information about you, as described above, to our staff, affiliates, representatives, their affiliated businesses, nonaffiliated third parties who provide you with financial products and services, and our service providers, such as a mailing company. These nonaffiliated third parties may include retirement plan sponsors or third-party administrators, mutual fund companies, insurance companies and agencies, other broker-dealers, and clearing firms. Our privacy policy is the same for current, as well as former clients. Also, if you close your account, in the process of transferring your investments we may share your information with the new broker-dealer or custodian that you or your representative selects.

If our representative servicing your account leaves us to join another broker-dealer, the representative may be permitted to retain copies of your information so that he or she can assist with the transfer of your account and continue to serve you at their new firm. The representative's continuing use of your information will be subject to the new firm's privacy policy. We may disclose information such as your name, address, social security number, date of birth, transactional information, or other financial information when necessary for us to provide you with financial products and services or report on your account, or where disclosure is prescribed by law. For example, we report your tax-related information to federal and state governments, and we may disclose information during the course of an audit or to law enforcement or regulatory agencies. We do not disclose your information to nonaffiliated companies who intend to market their products to you. For example, we will not sell clients' names and addresses to a catalogue or marketing company.

“Opting-out” of Third-Party Disclosures: If you do not want the registered representative servicing your account to be able to use information collected while registered with LPG Capital Management, Inc. if he or she leaves us to join another firm (other than as prescribed by law), you may contact us by calling our toll-free number: 1-801-207-1400. Please note that for joint accounts, an opt-out by one account holder will apply to all other account holders.

Securing Your Information: Our staff, affiliates, and representatives who have access to your information are required to follow our procedures reasonably designed to keep your information secure and confidential. Our physical, electronic, and procedural safeguards have been reasonably designed to protect your information.

Other Applicable Laws: The practices described are in accordance with Federal Law. We also follow privacy requirements under applicable state law. If a state's privacy laws are more restrictive than those stated in this policy, we comply with those laws.
